

RAW TRAVEL

RAW TRAVEL 2014-15 (SEASON 2)

AIM Tell-A-Vision Group presents "Raw Travel", a one of a kind, fast moving series that showcases the growing wave of socially and environmentally aware travel and celebrates the self-discovery that authentic cultural experiences can bring. Incorporating ecotourism, adventure sports, voluntourism (giving back), underground music, culture and more, the show targets a young, educated, socially engaged and upwardly mobile audience.

The camera follows Executive Producer and Host, Robert Rose, as he navigates through the unpredictable realm of adventurous travel to off the beaten path locations all over the world. Raw Travel invites viewers to get rid of their fears, break out their passports and take a journey to "meet the neighbors". No celebrities, no gimmicks, just ordinary people having transformative, life changing encounters through thoughtful, real and raw travel.
